Cyber Safety
I'm sure that you have all viewed either the Facebook post or Skool Loop notice regarding a video that has been circulating through social media sites this past week. This is a timely reminder to us all that we need to be vigilant in monitoring what children are seeing and doing in their online interactions. There are various safety options that can be utilised to ensure Safe Searches made by children while also restricting access to social media, which is often the cause for concern. We have John Parsons, a leading Cyber Safety expert visiting Term 4 to lead our students, parents and staff through the ins and outs of keeping safe online.

2021 Planning
It's that time of year when we begin to formulate our 2021 school wide class structure. To assist with this planning please let us know your intentions if your child or children will not be returning to Hauroko Valley Primary School next year. In regard to our Year 8 school leavers, please let us know what school you are intending to enrol your child in, so we can support transitions to their Secondary School or College. Thanks.

Term 3, Week 8
Rippa Rugby
The team has been training daily in their preparation for their tournament on Monday 21st September at Midlands Club, Winton. It is really important to bring a change of clothing for training, as the weather and ground conditions has been variable.

We have been provided with an opportunity for two students to attend as referees - Lucas Templeton and Harrison Erskine. This will be an incredibly valuable chance to train with guidance from Rugby Southland.

Netball
All teams have been practicing in preparation for the Southland Festival of Netball on Tuesday 22nd September for our Year 5 and Year 6 teams and then Wednesday 23rd September for our Year 7&8 team. Next week please remember suitable clothing and footwear as we attempt to get a practice on most days. Thanks to those parent helpers able to assist with transport and coaching or managing teams, I will be in touch before the end of next week.

Hockey
Each class has engaged in developing hockey skills with Coaches Tony and Mitchel from IHD Coaching. We have 3 sessions to go - Friday 18th September, Monday 21st September and Friday 25th September. Please remember mouth guards and if you have your own hockey stick, you are welcome to bring this for sessions.

Year 7&8 Have A Go Programme
Today the Year 7&8 students walked the Twin Law track; thanks to Damon Templeton for organising this. A special thanks to the landowner for providing us with this opportunity, particularly during lambing/calving season. We are appreciative of the support we have from our parent helpers that are able to provide transport and walk with the team as part of their training build-up to the Hump Ridge Track in Term 4, 2020. Thanks to the crew today - Lorin Borthwick, Andy Martin, Philip Mercep, Mandy & Alan Reilly, Jenni & Damon Templeton. This is the final walk for Term 3. In Term 4 we are looking forward to walking Bald Hill (a change from the Kepler) and to the Lake Hauroko Lookout.

Term 3, Week 9
Athletics
We are starting our athletics training next week as Term 4 isn't that far away and dates have

been confirmed as the following:
HVP and WAS Athletics held at Waiau Area School Tuesday 20th October
Western Athletics at Takitimu, Nightcaps Thursday 29th October
Southland Athletics, Invercargill Saturday 15th November

This is a significant change to our usual programme as Athletics in Southland is usually Term 1 each year, however a change was made to ensure Surrey Park Stadium could be resurfaced.
HVP and WAS Athletics held at Waiau Area School Tuesday 20th October
Western Athletics at Takitimu, Nightcaps Thursday 29th October
Southland Athletics, Invercargill Saturday 15th November

Board Meeting
Monday 14th September in the Hauroko Valley Primary School Staffroom from 7.30pm.

Teachers Only Day
Please remember on Wednesday 16th September our staff are holding a Teachers Only Day as part of ongoing Professional Learning Development. All staff are attending a session with Kathryn Berkett (Certified Neurosequential Model of Therapeutics Practitioner, Masters in Educational Psychology) focusing on Enhancing Emotional Resilience. There is a National focus on Hauora/Well Being and this will support and strengthen our understanding within the Health and Physical Education Curriculum.

Southland Speech
Best wishes to Summer Templeton who heads to Round 4 of Southland Speeches on Wednesday 16th September in Winton. Qualifying to present at The Grand Final is an amazing achievement! Her topic has been well received by previous audiences as it resonates with both children and adults "Why Mondays Should Be Banned!"
